If Seven Valleys decides to apply for a CDBG one or two projects should be selected for application.

In the past we have applied for sidewalk extension on Maple St  
Repair sidewalks on South side of Church St.

Other considerations might be Restore/repave East Street or repave South Street or update Comprehensive Plan - last updated in 1999 (Ordinance Committee could review the plan to determine if anything might be needed to be updated.)

Jeff will check into two projects suggested by council.

1. Replace the curb on Church St. The same as last application.

2. Resurface East Street from Main to Mason – possibility of continuing work down Mason Ave - if warranted.
