The police officer or other person making the report shall also attach to or place upon every such vehicle a notice stating that the vehicle was parked in violation of this article. The notice shall contain instructions to the owner or driver of the vehicle regarding the manner of payment of the fine.

ARTICLE IV**Removal and Impounding of Certain Vehicles****§ 123-25. Applicability and scope.**

This article is enacted under authority of Section 6109(a)(22) of the Vehicle Code and gives authority to the borough to remove and impound vehicles that are parked overtime on any street in the borough, or in metered and unmetered parking lots in the borough, in violation of any provision of this chapter.

§ 123-27. Designation of approved storage garages; bonding; towing and storage.

Removal and impounding of vehicles under this article shall be done only by approved storage garages that shall be designated from time to time by the Borough Council. Every such garage shall submit evidence to the Borough Council that it is bonded or has acquired liability insurance in an amount satisfactory to the Borough Council as sufficient to indemnify owners of impounded vehicles against loss or damage to those vehicles while in the custody of the garagekeeper for the purpose of towing or storage. The approved storage garage shall submit to the Borough Council its schedule of charges for towing and storage of vehicles under this article, and when the schedule is approved by the Borough Council, those charges shall be adhered to by the approved storage garage. § 123-29. Effect of payment of towing and storage charges.

The payment of any towing and storage charges authorized by this article shall, unless payment is made under protest, be final and conclusive and shall constitute a waiver of any right to recover the money so paid. If payment of any towing or storage charges is made under protest, the offender shall be entitled to a hearing before a District Justice. Payment of towing and storage charges shall not relieve the owner or driver of any vehicle from liability for any fine or penalty for the violation of the provision of this chapter for which the vehicle was removed or impounded.

§ 123-30. Records of vehicles removed and impounded.

The borough shall cause a record to be kept of all vehicles impounded under this article and shall be able at all reasonable times to furnish the owners or the agents of the owners of those vehicles with information as to the place of storage of the vehicle.
