§ 62-1. Short title.

This chapter shall be known and may be cited as the "Seven Valleys Borough Curfew Ordinance."

§ 62-2. Legislative findings and purpose.

- A. The York County Curfew Task Force, a subcommittee of the York County Truancy Task Force, has recommended uniformity among municipal curfew ordinances. Seven Valleys Borough adopts the recommendations of the task force by reference, summarized by finding that this chapter is necessary to regulate the conduct of minors during nighttime hours because minors are at a higher risk of becoming victims of crime, engaging in illegal behavior, and being truant.
- B. Seven Valleys Borough also adopts the task force position that parents who are negligent in monitoring their children's whereabouts should also be held accountable, and businesses that encourage or permit unsupervised minors to patronize their establishments during late night hours should also be held accountable.
- C. The purpose of this chapter is to protect the public from nocturnal mischief by minors, for the reduction of incidence of juvenile criminal activity, for furtherance of family responsibility, and promotion of public good, health, safety and welfare of the residents of Seven Valleys Borough.
